***STAMPERS BAR & HAWICK
CONSERVATIVE CLUB***
Bartender & Vice Chairman

**APR 2023 to
PRESENT**
Hawick,
Roxburghshire

As the main staff on shift for busy evening shifts, I am required to work quickly, efficiently, and still maintain a high quality of customer service. It also regrettably means being stern with anti-social customers. I am also in a position where I assist with the on-goings behind the scenes as the Vice-Chairman of the club.

***COOPERS BAR & BASE
NIGHTCLUB***
Bartender & Door Steward

**AUG 2021 to
MAY 2023**
Hawick,
Roxburghshire

After moving to Hawick and making friends with the owners, I began working most shifts available at both Coopers Bar and Jck Base Nightclub. Shortly thereafter, I was worked the door and security at the nightclub because they would "finally have someone who will actually be nice to the customers".

***ST. LUKE'S & THE WINGED
OX***
Bartender & Front of House

**SEP 2017 to
FEB 2020**
Glasgow,
Lanarkshire

A major bar, restaurant, and music venue in Glasgow's eastend beside the Barras Market. It is an extremely high traffic pub and we worked hard to maintain the reputation of being the best spot in the area for food, drinks, and events.

LIQUID ACADEMY
Cocktail Waitor/Mixologist

**FEB 2018 to
JUL 2017**
Glasgow,
Lanarkshire

Located at the iconic Savings Bank building in Laurieston, we operated as a high-end cocktail events company. We would host wrap-up parties for major television shows and organised pop-up bars in large mansions for exclusive events - all while dressed in our Sunday best!

***G1 GROUP • HUMMINGBIRD,
BOOKCLUB, LUCKY 7, AND
FLAT 0/1***
Bartender, Front of House,
Floor Manager

**AUG 2016 to
MAR 2018**
Glasgow,
Lanarkshire

G1 Group is a large company with many bars, venues, and restaurants around Glasgow all with their own unique style and identity. I worked at many of their locations as I was in demand for my ability to learn quickly and handle busy shifts - eventually working up to shift leader and becoming the floor manager for the Lucky 7 restaurant.
